

Repair Heating Serum

Soothe, restore, and re-energize with our Repair Heating Serum – a warming, circulation-boosting blend designed to support vascular health and ease discomfort from tired feet, heavy legs, varicose veins, joint stiffness, diabetic foot concerns, and muscular pain. Formulated with our signature Rejuven8 Essential Oil Blend and deeply penetrating Cayenne Pepper Oil, this therapeutic serum stimulates blood flow while delivering lasting relief and renewal. Key Benefits: • Enhances vascular and circulatory health • Eases joint & muscle pain • Supports relief from varicose veins & diabetic foot • Alleviates tension in feet and legs How to Use: Warm 6 drops between your palms by rubbing hands together. Apply in circular motions, beginning under the feet, working through the toes, the top of the foot, and up along the entire leg. Use daily after your bath, just before bedtime, for at least 10 consecutive nights for optimal results.
